# UPSC Mathematics Optional Test Series 2025 & 2026

## Test Series Schedule - 2025/ Level-1 (Foundation Stage)

| Test No. | Date          | Topics Covered  |
|----------|---------------|---|
| Test-01  | 20 Feb. 2025  | <u>Modern Algebra, Real Analysis, LPP, Numerical Analysis</u> |
| Test-02  | 06 March 2025 | Integral Calculus, Vector Calculus, 3D Geometry               |
| Test-03  | 31 May 2025   | Dynamics, Statics, Rigid Dynamics, Fluid Dynamics             |
| Test-04  | 12 June 2025  | Differential Calculus, ODE, Linear Algebra                    |

## Level-2 (Advanced Stage)

| Test No. | Date         | Topics Covered   |
|----------|--------------|--|
| Test-05  | 22 June 2025 | Complex Analysis, PDE, Modern Algebra                            |
| Test-06  | 2 July 2025  | Real Analysis, Numerical Analysis & Computer, LPP, PDE           |
| Test-07  | 10 July 2025 | Modern Algebra, Complex Analysis, Rigid Dynamics, Fluid Dynamics |
| Test-08  | 18 July 2025 | Dynamics, Statics, Integral, Differential, Vector Calculus       |

## Simulation Stage (Full-Length Tests)

| Test No.     | Date           | Paper             |
|--------------|----------------|-------------------|
| Test-09      | 1 August 2025  | FLT Paper-1       |
| Test-10      | 6 August 2025  | FLT Paper-2       |
| Test-11 & 12 | 11 August 2025 | Paper-1 & Paper-2 |

## Test Series Schedule - 2026

### Level-1 (Foundation Stage)

| Test No. | Date          | Topics Covered   |
|----------|---------------|--|
| Test-01  | 25 Feb. 2025  | Modern Algebra, Real Analysis, LPP, Numerical Analysis |
| Test-02  | 25 March 2025 | Integral Calculus, Vector Calculus, 3D Geometry        |
| Test-03  | 25 April 2025 | Dynamics, Statics, Rigid Dynamics, Fluid Dynamics      |
| Test-04  | 25 June 2025  | Differential Calculus, ODE, Linear Algebra             |

### Level-2 (Advanced Stage)

| Test No. | Date           | Topics Covered   |
|----------|----------------|--|
| Test-05  | 25 July 2025   | Complex Analysis, PDE, Modern Algebra                  |
| Test-06  | 25 August 2025 | Real Analysis, Numerical Analysis & Computer, LPP, PDE |

# TEST SERIES: Mathematics Optional. UPSC CSE 2025

## Level-01. Revision Module Phase

|         |  |            |
|---------|--|------------|
| Test 1: | Diff., Integ., Vector Calculus, ODE    | 05/06/2025 |
| Test 2: | Linear Algebra, 3-D, Dynamics, Statics | 19/06/2025 |
| Test-3: | LPP, Numerical, PDE, Fluid dynamics    | 28/06/2025 |
| Test 4: | Modern, Real, Rigid, complex           | 10/07/2025 |

## Level : 02 - Exam Hall Revision Phase

|         |                                 |            |
|---------|---------------------------------|------------|
| Test 5: | Modern, Real, Numerical, LPP    | 15/07/2025 |
| Test 6: | Integral, Vector, 3D            | 16/07/2025 |
| Test-7: | Dynamics, Statics, Rigid, Fluid | 18/07/2025 |
| Test 8: | Diff, linear, ODE, PDE, Complex | 19/07/2025 |

## Test Series 2025/26 Module-I

**Module-I (₹8999/-)**

- **Comprehensive e-books** for all chapters, structured for systematic learning.
- **Tests & personalized evaluation** with detailed remarks.
- **Occasional mentorship calls** with Sir for guidance.
- **Flexible Test Schedule** – Students can postpone tests as per their convenience.

☎ **For queries:** 8448903990

## Test Series 2025/26 Module-II (₹11999/-)

- **Comprehensive e-books** for all chapters.
- **Problem-solving sessions** (recorded) on topics, provided **15 days before each test** by Sir.
- **Occasional live sessions** for doubt clearing.
- **Regular weekly mentorship calls** with Sir, including strategy guidance for **GS & Essay**.
- **Essay & GS answer review** (if required for balanced preparation).
- **Tests & personalized evaluation** with detailed feedback.
- **Flexible Test Schedule** – Students can postpone tests as per their convenience.

☎ **For queries:** 8448903990

1. Validity for all modules is till main examination UPSC CSE and IFoS 2026.
2. Students can write test after the fixed test of any particular test according to their flexibility.
3. Evaluated copy will be shared within 7 days of submission.

## Test Series Refund Policy

Aspirants are suggested to make sure if they enroll for this test series program once then they are entitled to follow it. As resources like e books, videos lessons links are shared just after enrollment, so it's not possible to take it back (feasibility matters).

So if you opt to cancel the test series before first test then Rs. 6000 will be deducted and rest of the amount will be refunded.

If you cancel after attempting at least one test, then no amount will be refunded.

So please be sure first and then only enroll. Good luck
